

Kareem Khaled Eid

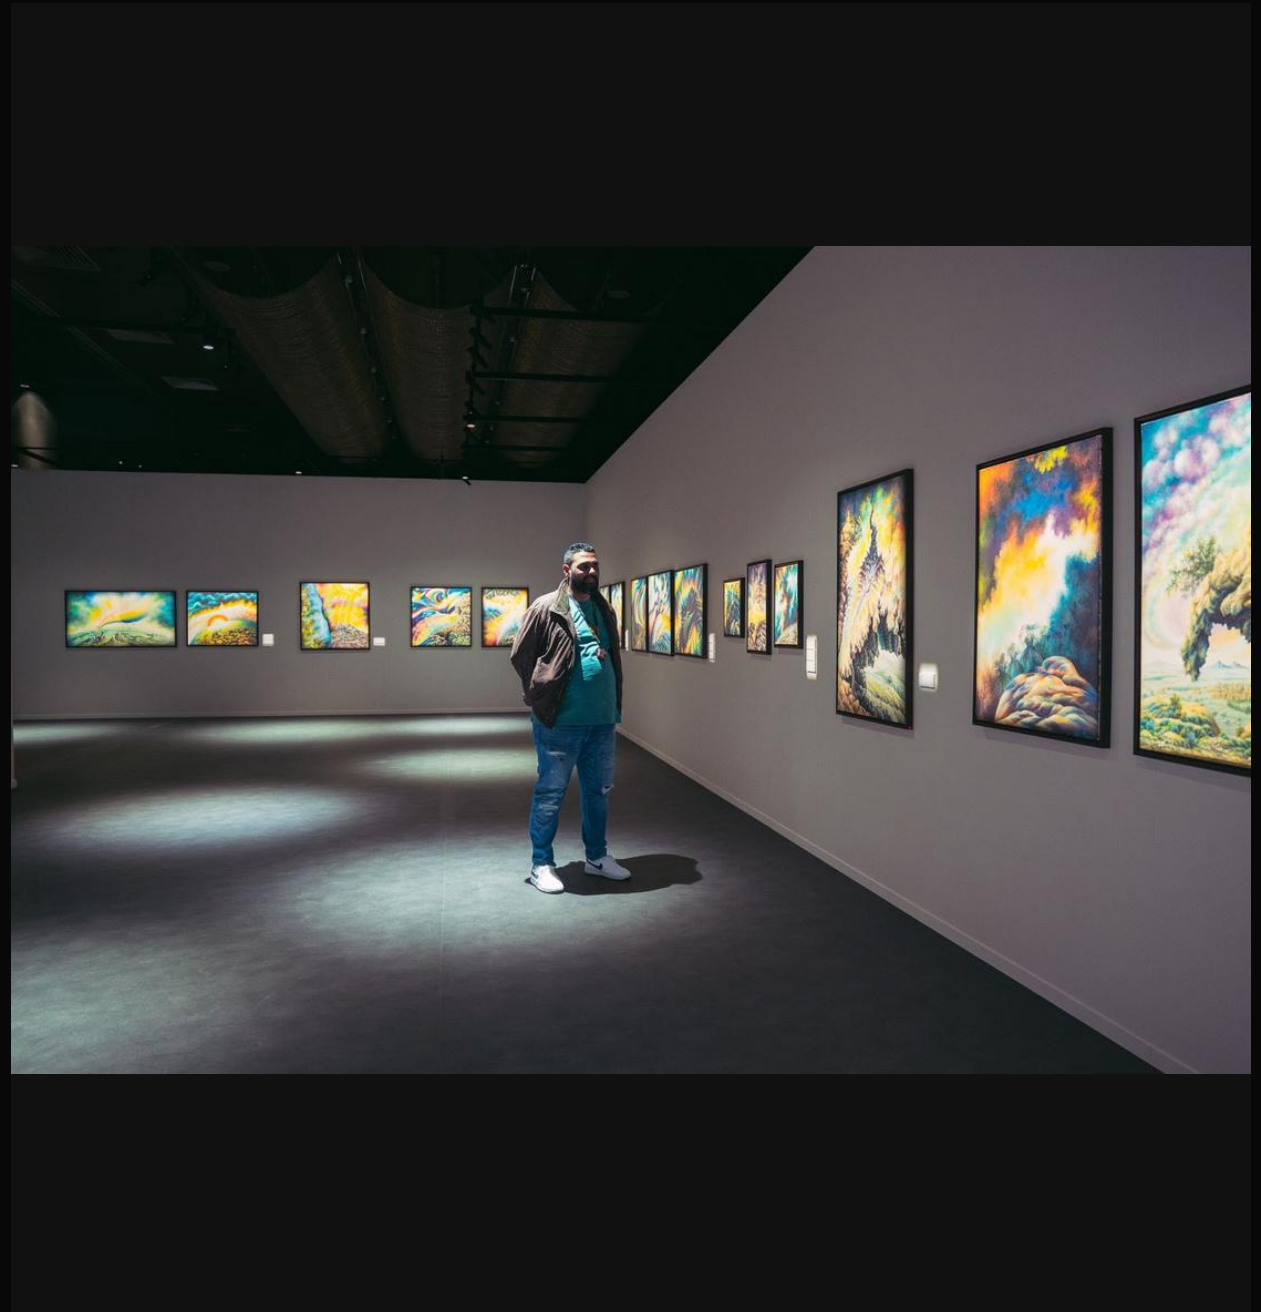

LIGHTING & SCENOGRAPHY DESIGNER

Lighting and scenography for theatre, art exhibitions and live events.

My work connects visual storytelling with practical execution. Beginning with theatre decor implementation in 2000, my practice spans lighting, sets, costumes, props and event equipment management.

Light for the stage.

MY ROLE / LIGHTING DESIGN & IMPLEMENTATION

Selected theatre work includes Al-Kambousha, Paravan and Circus of the Beast. My practice combines lighting design with its practical implementation on stage.

Selected stage lighting work

FURTHER SELECTED CREDITS

Qabil Is Not the Killer / Victor's Secret / The Mice / World War IV

A connected visual approach.

SCENOGRAPHY

My role: set, costume and lighting design.

Selected productions include Bird, Snow City, Fish Tank, Maestro and The Stranger.

EVENT DELIVERY

My role: event equipment management.

Projects include Dream Project, Dream Project 2 and the opening event for Grandfather's Will.

Additional practice: set design for independent theatre, theatrical props, studio setup and lighting for short films.
